Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the East Providence Community Center project in fiscal year 2023.

The entity to receive funding for this project is the City of East Providence, located at 145 Taunton Ave, East Providence, Rhode Island 02914.

The funding would be used to support the development of a community center for use by youth, families, older residents, and civic organizations. The community center would support a multitude of activities including recreational and educational programming, workforce development training, and space for meetings. The center would also be utilized by the Police Department to conduct training and community police outreach programming. This space would greatly benefit the East Providence community, offering services, space, and programming for residents of all ages.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, reading "David N. Cicilline".
